

JCC Global delegation seminar to
the JCC of Greater Washington, Rockville, MD
<http://www.jccgw.org/>
Wednesday, May 18- Sunday, May 22, 2016

Goals:

- Gain a better understanding of Jewish life in Rockville, MD as an example of a Jewish community in North America
- Insider's encounter with the JCC of Greater Washington- history, accomplishments, challenges, position in the community
- Learn about the Hamsah JCC Global Madrichim Fellowship and discuss how to develop meaningful connections between Jewish communities around the world
- Understand the Jewish community in the context of the relationship with the non-Jewish community and the city/state
- Provide an opportunity for Jewish leaders in Rockville to meet with world Jewish leaders and to understand the value of connecting with Jews who live in other countries

Wednesday, May 18, 2015
