Europe Transformed: Learning from the German Model of Integration, Outreach and Absorption

In celebration of **100 years of service** to the Jewish Community of Germany, ZWST (The Central Welfare Board of the Jewish Community of Germany) is inviting senior staff members and lay leaders from JCCs in Europe to attend a study seminar focusing on models developed by ZWST to address the dramatic changes in demography and immigration effecting Germany and Europe.

Highlights include:

- Lectures by leading experts on the scope and effect of current immigration trends in Germany and Europe
- Hands on visits to the Jewish community of Frankfurt as a case study
- Panel of practitioners from Europe and around the world on integration and absorption; best practices and models
- Hands on workshops and peer learning on developing models for integration and absorption
- Ways to access funds from EU and other sources in order to promote these types of programs

The program is in partnership with JCC Global
